

MERCURY® FACTORY-PAINTED

Color Accent Panels

Color Configurations

For ultimate personalization, five colors of factory-painted accent panels are available as kits. The panels are made of thin and durable polycarbonate that adhere firmly and provide color harmonization.

- Color Trim Kit includes 4 painted panels, adhesive, Mercury wordmark decal and installation instructions.
- In addition to the color trim kit, a HP decal and M-Icon must be purchased separately *(if applicable)*.
- Estimated OEM/Dealer installation time is 30 minutes per engine.
- Replacing existing color trim with different color trim is NOT recommended.
- Ready-for-paint color trim kits are primed and ready for coating with urethane paint.

All-in-One Spotless Shine by Mercury Marine® is the approved cowl cleaner and detailer for Mercury outboards and Color Accent Panels. It's formulated to leave a like-new, easy-to-maintain shine and protect against future spotting and UV rays. Just spray on and wipe dry... it won't damage paint, finishes, decals or wraps. 2 oz. sample included in panel kits (except Pro Black and Ready-for-paint).

8M0170561 (2 oz.) | 8M0170557 (32 oz.)
