### ***New 100/300-Hrs MerCruiser gas and Drive Maintenance kits - New V-6 and V-8 Outboard maintenance kits.***

Dear Mercury Partner,

Mercury Marine is pleased to inform you that the range of maintenance kits is widening again. Seventeen maintenance kits will be launched to support the **MerCruiser gas sterndrive/inboard engines from 3.0L-8.2L**. Additionally, ten maintenance kits for the well-known drives (**Alpha I, II, Bravo I, II, III for gas/diesel**) will be available. For heavy SeaPro users, two **L6 Verado outboard 300hr kits are created without anodes**. Last but not least, Mercury Marine will launch four maintenance kits for the all **new V-6 and V-8 outboards**. Thanks to all these kits, the organization of the 100 and 300-hour maintenance tasks will be more convenient.

Availability of new kits: As from 2 November 2018

### **Maintenance Kits Advantages**

- Designed to extend the lifetime of the engine
- Improve a lot the dealers' convenience: less order handling and administration, less storage handling, since all required parts are immediately available in one compact box to start maintenance tasks
- Attractive priced

### **OUTBOARD Maintenance Service Kits**

100 HOUR MAINTENANCE SERVICE KITS	
Part Number	Engine size / model
8M0090558	40 – 60 HP EFI 4-stroke
8M0097856	F80-F115 4-stroke HP 1.7L
8M0097854	F80-F115 4-stroke HP 2.1L and F75-F115 Sea Pro
8M0094232	150HP EFI 4-stroke and 150HP Sea Pro
8M0097858	L6 Verado 4-Stroke (Serial Nr. 2B144122 & below)
8M0120657	L6 Verado 4-Stroke GEN 5 200–350HP (2B144123 & above)
